

National level sepsis, severe infection and stewardship course.

The National course will run over 1 day, and will combine the fundamental structure of the ESICM learning pathway with adaptations to local circumstances and intended audience.

ESICM Faculty:

Elsa Afonso MSc, BSc (Hons), RN - HEA Fellow Senior Faculty of Health, Education, Medicine and Social Care, Cambridge, United Kingdom

Adelina Baloi MD - Consultant Anaesthesia and Intensive Care Medicine, DESAIC, Timișoara County Emergency Clinical Hospital, Timișoara, Romania

Cristian Cobilinschi MD - Consultant in Anaesthesiology and Intensive Care, Clinical Emergency Hospital of Bucharest, Bucharest, Romania

Christina König PhD - Clinical Pharmacist, Department of Intensive Care Medicine, Department of Pharmacy, University Medical Center Hamburg-Eppendorf, Martinistreet, Hamburg, Germany

Dina Mendes Assistant Pharmacist - Pharmacy Department, Egas Moniz Hospital, Local Health Unit of Western Lisbon, Lisbon, Portugal

Pedro Pova MD, PhD - Professor, Dean NOVA Medical School, New University of Lisbon, Portugal; Adjunct Professor, Center for Clinical Epidemiology and Research Unit of Clinical Epidemiology, OUH Odense University Hospital, Denmark; Past Chair, Infection Section, ESICM; Chair of Education and Training Committee, ESICM; Senior Editor of Intensive Care Medicine, Official Journal of ESICM; Associate Editor, RBTI, Official Journal of AMIB; Coordinator of the Intensive Care Unit 4, Dpt of Intensive Care, Hospital de São Francisco Xavier, CHLO, Lisbon, Portugal

Claire Roger MD, PhD - Head of Surgical Intensive Care Unit Anesthesia, Intensive Care, Pain and Emergency Department University Hospital Carémeau Nimes, University Nimes, France

Kordo Saeed MB, ChB, MSc, FRCPath, MD - Consultant Microbiologist (GICU) University Hospital Southampton, NHS Foundation Trust, Southampton, United Kingdom; Honorary Professor, University of Southampton, Southampton, United Kingdom

Fredrik Sjövall MD, PhD - Associate Professor Intensive and Perioperative Care, Skåne University Hospital, Malmö, Department of Clinical Sciences, Lund university, Malmö, Sweden

Programme

08:30 **Arrival & coffee**

08:45 **Welcome local host**

09:00 **Pathway presentation and course objectives**

09:20 **Introduction to principles of AMS and severe infection and sepsis**

10:00 **Antimicrobial stewardship and antimicrobial resistance. Meet the team**

10:45 BREAK

11:15 **The local situation – guided group discussion on key points**

What are the biggest challenges in sepsis and infection management in your setting?

What are the major MDR pathogens in your setting?

What challenges do you have with antimicrobial prescribing, dosing and stewardship?

If you could fix one thing about sepsis and infection management in your hospital, what would it be?

12:00 Q&A and feedback from groups

12:15 LUNCH

13:00 **Case 1 -Diagnostic focused case**

14:00 **Principles of antimicrobial therapy**

14:30 **Case 2 -Antimicrobial prescribing and PK/PD focus**

15:30 COFFEE BREAK

16:00 **Case 3 -Severe fungal infection management**

17:00 **Q&A & Takeaways**

17:30 **Course evaluation**

17:45 **Next steps and local faculty development: how to continue the pathway locally**

18:30 END

Important: Participants are highly recommended to enrol in the ESICM Sepsis, Severe Infections and Stewardship Pathway before attending the event, in order to explore the available educational resources and better prepare for the sessions. Registration to the pathway is free of charge and open to all healthcare professionals worldwide.
